I. INTRODUCTION/Overview

Center for Workforce Inclusion (Center) is issuing a Request for Proposal (RFP) to partner with a qualifying public or non-profit organization(s) to apply for a Workforce Inclusion Senior Community Service Employment Program (SCSEP) grant with the Center. Through this RFP, the qualifying service provider will be identified and selected to assist low-income older job seekers in Barron, Chippewa, Clark, Dunn, Eau Claire, Portage, Taylor, and Wood Counties in Wisconsin to upskill and reskill older job seekers to become job ready for local employment opportunities through training, coaching, and part-time subsidized employment opportunities in community service assignments and on the job experiences.

The Workforce Inclusion Grant for October 1, 2023 – June 30, 2024 (9 months) is estimated to be approximately $574,003. These funds will cover the costs of program management and the subsidized fees for 91 low-income older job seekers to be trained, coached, upskilled and reskilled while engaged for 20 hours a week in a community service project and/or on the job experiences. There will be opportunities to renew this grant on an annual basis as Department of Labor funding permits.

We believe that we can best achieve our mission by collaborating with local subgrantees through genuine, lasting partnerships. Through this RFP, we hope to make ongoing long-term investments in a local organization with a proven track record and extensive networks in their communities. We believe our sub-grantees are experts within their communities and seek to enhance the work and impact they are currently making in these counties. Seventy-five percent (75%) our sub-grantees have received funding from the Center for 10 years or more with average subgrantee tenure being 29 years.

A. About the Center for Workforce Inclusion, Inc.

For the last 58 years, the Center has trained nearly half-a-million low-income, older job seekers through its national SCSEP grant from the Department of Labor. Our vision for the future is an inclusive multigenerational workforce where every older job seeker can hone their skills and experience to meet local employment demands and take full advantage of opportunities to achieve and sustain economic security.

We specialize in designing and delivering workforce development programs to upskill and reskill 4,800 job seekers on an annual basis who are over 50 years old from traditionally underserved groups: people of color, women, veterans, and those who were formerly incarcerated. Currently, 58% of our job seekers are BIPOC, 60% are female, with an average age of 67.

“We are committed to innovative, systemic change that creates pathways to economic opportunity for all older job seekers. This is the vision we share with our partners and the mission we pursue every day.” -Gary A. Officer, President & CEO

After five decades of working with over 300 local organizations as sub-grantees, the Center has built and sustained commitment to serve hundreds of thousands of low-income older job seekers through Workforce Inclusion Grants.

Today, almost 60 nonprofit and government partners help us go beyond traditional programmatic job-search services by providing a full range of supportive services to address
barriers to employment, including digital literacy, transportation, and childcare. Eligible job
seekers for a Workforce Inclusion SCSEP grant are currently unemployed, low-income persons
who are 55 years of age or older.

In September 2022, the Center launched the “30 in 3 Campaign.” Older workers with more
digital skills have significantly higher earnings than those with less and are better positioned to
compete for the jobs of the future. More than 40% of older Americans are looking for a job,
two thirds of older adults seeking employment cite age discrimination as a challenge to finding
work (Urban Institute).

Over the next three years, the Center for Workforce Inclusion, and its family of brands, will
empower 30,000 older workers of color with the digital and remote work skills they need to
attain and retain sustainable employment, creating $3B in positive economic impact. We
believe that accomplishing this training, participation with our coaches, and interview
preparation will help our job seekers fight the stigma of agism, disproving the bias, and
demonstrating that older workers can learn new skills, are digitally literate and want to
participate in today’s workforce.

Headquartered in Silver Spring, Md., near Washington, D.C., the Center for Workforce
Inclusion is a 501(c)(3) non-profit organization celebrating its 60th year. For more information
on the Center, please see our website at https://www.centerforworkforceinclusion.org/.

B. Our Network of Local Subgrantees

Since the U.S. Department of Labor (DOL) awarded the Center its first Workforce Inclusion
SCSEP grant, we have operated the program primarily through local subgrantees. This national
network of providers provides services in 443 counties spread over 12 states on an annually
basis.

We work with a diverse network of subgrantees, including:

- 20 area agencies on aging
- 11 workforce organizations
- 11 regional councils of government
- Three community action agencies
- Two faith-based organizations
- Two community colleges

II. REQUEST FOR PROPOSAL

The Center is seeking a qualifying public agency or 501(c)(3) nonprofit organization (referred
to as “Subgrantee”) to administer a Workforce Inclusion Grant following the Center’s and
DOL’s expectations of the grant agreement, related to SCSEP, Title V of the Older Americans
Act. SCSEP is the only federally sponsored employment and training program targeted
specifically to low-income older individuals who want to enter or re-enter the workforce.
SCSEP jobseekers receive work experience at local public or non-profit agencies and are paid
the higher of the Federal, State, or local minimum wage, or the prevailing wage for similar employment, for approximately 20 hours per week while in community service and other job training. The goals of the program are to promote useful opportunities in community service job training and to move SCSEP jobseekers into unsubsidized employment.

III. ROLES AND RESPONSIBILITIES

The Center and its subgrantees work in partnership to ensure the best outcomes for each older jobseeker and the overall program. The following provides a brief overview of roles and responsibilities of the subgrantee and the Center.

The Center. The Center supports every subgrantee by:

- Providing support, guidance, training, and coaching on program policies, planning and performance, program expenditures, and data collection.
- Providing technical assistance on the Center’s person-centered approach to IEPs, community service assignments, on the job experiences, and unsubsidized placements;
- Monitoring program performance and operations;
- Ensuring quality data, training, and supporting subgrantees’ data entry staff, and using Webtools and reports; and
- Assisting on cost reporting and other fiscal matters.

Subgrantee. Key among their responsibilities, subgrantees recruit SCSEP-eligible individuals, assist them in gaining the skills and confidence necessary to secure unsubsidized employment, provide training, especially community service assignments for the number of SCSEP jobseekers specified in the sponsor agreement, facilitate their unsubsidized employment and promote their retention in those jobs. To accomplish this, subgrantees take the following steps:

- Meet all performance goals outlined in their Sponsor Agreement;
- For 91 authorized positions, employ one full-time project staff (a project director) and a part-time project coordinator and provide other personnel necessary for the direction, programmatic and financial administration, and supervision of the SCSEP program; this RFP has 91 authorized positions so the Center would be expecting minimally 1.5% FTE in staffing for direct program services.
- Recruit and select eligible older jobseekers for enrollment in SCSEP;
- Select host agencies to serve as training hosts for 91 job seekers;
- Promote linkages and partnerships with local employers and public workforce providers; and
- Comply with SCSEP policies, procedures, and related requirements, such as using the DOL database for SCSEP (GPMS), as well as the Center’s Webtools and forms to
inform the Center about performance measure data and other information necessary for the program; and

- Use our case management method, specifically the assessment and Individual Employment Plan (IEPs) to guide all program services, including appropriate community service assignments, on the job experiences additional training, job development and placement assistance and supportive services.

IV. FUNDING

Subgrantees’ SCSEP budgets are formula-funded based on the number of authorized positions. Each budget has four (4) line items:

1. **Participant Wages and Fringe Benefits (PWFB),** which are dedicated funds for the wages and fringe benefits for the time that jobseekers spend in approved program activities (e.g., orientation, community service assignment, on the job experiences, other permissible training). Wages paid to program jobseekers are based on the higher of the Federal, State, or local minimum wage or the comparable wage for similar employment. Subgrantees must spend 100% of the PWFB funds provided in the subgrant. Generally, subgrantees pay program jobseekers’ wages every two weeks.

SCSEP regulations list required fringe benefit that subgrantees must provide: the offer of an annual physical examination; workers’ compensation coverage; compensation for scheduled work on Federal holidays; and necessary sick leave. Unemployment compensation is not required by Wisconsin state law. Fringe benefits prohibited by SCSEP regulations include contributions to retirement plans, annual leave, bonuses, or any carryover of benefits from one program year to the next.

2. **Administrative Costs (ADM),** which are the costs associated with:
   - Performing overall general administrative and coordination functions, including:
     - Accounting, budgeting, financial and cash management functions;
     - Procurement and purchasing functions;
     - Property management functions;
     - Personnel management functions;
     - Payroll functions;
     - Coordinating the resolution of findings arising from audits, reviews, investigations, and incident reports;
     - Audit functions;
     - General legal services functions; and
     - Developing systems and procedures, including information system, required for these administrative functions.
   - Oversight and monitoring responsibilities related to administrative functions.
   - Costs of goods and services.
3. **Other Program Costs (OPC) are flexible funds** which include, but are not limited to, the costs of the following functions:
   - PWFB, consisting of wages paid and fringe benefits provided to SCSEP jobseekers for hours of community service assignments;
   - Items listed above not covered by the cost limitations of administrative funds
   - Outreach, recruitment, and selection, intake, orientation, assessment, and preparation of IEPs;
   - Older jobseeker training provided on the job, in a classroom setting or utilizing other appropriate arrangements, consisting of reasonable costs of classroom space, training supplies, materials, equipment and tuition;
   - Job placement assistance, including job development and job search assistance, job fairs, job clubs, and job referrals; and
   - Jobseeker supportive services.

4. **Non-Federal Share of Costs (Non-Federal).** Subgrantees provide at least a 14.7 percent non-Federal contribution to SCSEP. As part of submitting this application, the subgrantee agrees to this voluntary commitment, which must be from non-Federal sources.

   Non-federal costs can be broken down into three categories:
   - Cash component is monies from non-federal sources that sponsor expends in support of the program. For example, this might include, but is not limited to, the project directors’ salary and fringe benefits, phone, electric, printing, copying, travel, the cost of general liability insurance rent paid for either the premised or meeting rooms, or any other programmatic cost incurred and paid by nonfederal sources and not donated as in-kind or part of a federally approved indirect cost allocation plan.
   - Indirect is the amount of overhead paid by the sponsor and distributed based on an approved distribution plan.
   - In-kind costs are the value of non-cash goods and services that directly benefit the program. In-kind costs can come from host agencies, the subgrantee and the local community. In-kind costs can include, for example, the value of supervisory time that the host agency provides for SCSEP jobseekers. Other examples of in-kinds costs are donated or discounted professional services, space charges, meeting space, telephone and transportation.

The total **estimated** amount of funds for this nine-month subgrant is below.

V. TARGET POPULATION

The following information describes key aspects of the program. For more in-depth understanding, please view the recorded Bidders’ Webinar (see Section XII of this RFP for more information) and refer to the resources listed in Section XIV of this RFP.

Eligible SCSEP Jobseeker. An individual is eligible for SCSEP if he or she is not employed at the time of enrollment, is age 55 or older, has not previously participated in SCSEP for 48 months, and has includable family income totaling no more than 125 percent of the Federal poverty guidelines.

Priority of Service for Individuals with Multiple Barriers to Employment. SCSEP provides priority of service to those most-in-need as provided at 20 CFR 641.520. These individuals:

- Are veterans (or eligible spouses of veterans) for purposes of §2a of the Jobs for Veterans Act, 39 U.S.C. 4215(a)
- Are age 65 or older;
- Have a disability;
- Have limited English proficiency;
- Have low literacy skills;
- Reside in a rural area;
- Have low employment prospects;
- Have failed to find employment after using services provided through the American Job Center delivery system;
- Formerly incarcerated within the last 5 years or are under supervision following release from incarceration with the last 5 years; or
- Are homeless or at risk of homelessness.

Individual Employment Plans (IEP). Subgrantees assess each jobseeker to determine his or her skills and employment-related needs and develop a plan to improve the older jobseeker’s employability. The initial IEP includes an appropriate unsubsidized employment goal for each jobseeker. The subgrantee must then provide or arrange for training and other supportive services identified in older jobseekers’ IEPs that are consistent with SCSEP’s goal of unsubsidized employment. (Other employment and training programs sometimes refer to this type of plan as an Individual Development Plan or Individual Training Plan). The subgrantee monitors the jobseeker’s IEP progress regularly and completes a reassessment for each older jobseeker at least twice during a 12-month period and updates the IEP as necessary but at least twice a year. If the subgrantee determines that the initial goal of unsubsidized employment is not feasible, the subgrantee reviews the IEP to reflect other approaches, including transitioning to other services or programs, to help the older jobseeker achieve maximum self-sufficiency and an enhanced quality of life after SCSEP participation has ended.

Unsubsidized Employment. An important goal of the program is to help jobseekers achieve self-sufficiency when they exit the program. For those whose IEP includes a goal of unsubsidized employment, subgrantees provide training opportunities, including reskilling and upskilling opportunities, that enable older jobseekers to obtain such employment. In addition, subgrantees provide regular follow-up communication, for up to 18 months after exit, with former older jobseekers and employers to ensure that the person retains the job. Quality
training efforts, appropriate placements, and good relationships between the subgrantee and the local employer community increase the likelihood of successful unsubsidized employment and job retention for SCSEP exiters.

**Community Service Assignments.** Providing subsidized work through paid community service is the core feature of the SCSEP service delivery model. The training must be provided by a public agency or 501(c)(3) non-profit organization that meets the requirements of a host agency. SCSEP jobseekers earn wages and develop the confidence and skills needed for successful employment; the organizations that host the older jobseekers benefit from their work. Community service may include but is not limited to activities such as social, health, welfare and educational services; weatherization efforts; and economic development. The training provided at these host agencies must be consistent with the jobseeker’s assessment and IEP.

**Host Agencies.** Host agencies provide supervision, training, and work sites for SCSEP the older jobseekers and may be either public agencies or 501 (c)(3) non-profit organizations only. Host agencies provide training and work experience for older SCSEP jobseekers. Subgrantees also work with host agencies to identify appropriate training that does not lead to maintenance of effort violations.

**Maintenance of Effort.** A community service assignment for a SCSEP jobseeker is permissible only when specific maintenance of effort requirements are met. Each subgrantee must not reduce the number of employment opportunities; displace currently employed workers; impair existing contracts or result in the substitution of Federal funds for other funds in connection with work that would otherwise be performed; or employ an older jobseeker to perform the same work or substantially the same work as that performed by any other individual who is on layoff.

**Other Permissible Training.** Subgrantees can provide other types of training in addition to work-based community service training. This additional upskilling or reskilling is tailored to each older jobseeker and may include classroom training or general skills training. With prior approval from the Center, training can also include specialized training and on-the-job experience training.

**Coordination with American Job Centers, State and Local Workforce Investment Boards, Area Agencies on Aging, Other SCSEP Providers.** As a required partner, all SCSEP subgrantees must coordinate activities with local American Job Centers (Job Centers) administered by Local Workforce Investment Boards under the Workforce Innovation and Opportunity Act through a Memorandum of Understanding (MOU). Subgrantees also coordinate with other SCSEP providers and area agencies on aging to ensure seamless support to help SCSEP jobseekers achieve self-sufficiency.
VI. The Center SCSEP Performance Measures

The subgrantee must achieve the performance goals outlined in their Sponsor Agreement with the Center. As stated earlier, the Center will provide training, guidance, and technical support to assist the selected subgrantee. The Bidder’s Webinar (see Section XII of the RFP for more information), provides additional information on the performance measures and other aspects of SCSEP. Listed below are the PY2022 goals for the Center’s subgrantee network.

1. **Service Level/Number of eligible individuals served**
   140% x your number of modified authorized positions
   
   PY2022 Goal = 140%  
   16*1.4 = 22 served by 6/30/2023

2. **Community Service Hours (in the aggregate of community service assignments)**
   Hours in the aggregate worked at community service assignments compared the number of community service hours funded by the grant subgrant.
   
   PY2022 Goal = 74%

3. **Most-in-Need**
   Counts the total number of the most-in-need characteristics for all SCSEP jobseekers enrolled from July 1 and divides by the total number of SCSEP jobseekers served by June 30th to come up with the average MIN characteristics per older jobseeker.
   
   PY2022 Goal = 3.0

4. **PY22 Center for Workforce Inclusion Unsubsidized Placement Goal**
   35% x your number of authorized positions

5. **Exiters Employed in Q2 after their exit**
   The percentage of project SCSEP jobseekers who are in unsubsidized employment during the second quarter after exit from the program.
   
   PY2022 Goal = 32%

6. **Exiters Employed in Q4 after their exit**
   The percentage of project SCSEP jobseekers who are in unsubsidized employment during the fourth quarter after exit from the program.
   
   PY2022 Goal = 27%

7. **Median Earnings**
   The median earnings of project SCSEP jobseekers who are in unsubsidized employment during the second quarter after exit from the project
   
   PY2022 Goal = $3,500
8. Spend 100% of Budgeted Participant Wages and Fringe Benefits (PWFB) by June 30

9. Achieve 90 ACSI score on Participant Satisfaction via annual Participant Satisfaction Surveys

10. Achieve 87 ACSI score on Host Agency Supervisor Satisfaction via annual Host Agency Supervisor Satisfaction Surveys

11. Achieve 86 ACSI score on Employer Satisfaction via the Employer Satisfaction Survey

In addition, the Secretary of Labor may set additional performance indicators, which if done, the Center will require of all its subgrantees. There are currently no additional performance indicators for SCSEP.

VII. ELIGIBILITY & MINIMUM QUALIFICATIONS FOR RESPONDING ORGANIZATIONS

Any 501(c)(3) non-profit organization or government agency that can meet the goals, standards, and policies of the Center for providing SCSEP services to eligible persons 55 years of age and over, as described in this RFP, is eligible to apply. The Center discourages any 501(c)(3) non-profit organization or government agency from applying that intends to subcontract this SCSEP subgrant to another organization to provide services. CWI will give preference to applicants that can serve all eight (8) counties in this RFP.
VIII. CONTENT OF THE RESPONSE PACKAGE

A complete Request for Proposal application package must include all requested documents, transmitted electronically. Do not send any zipped files. The application package must contain all of the following items and must be presented in the order listed below:

A. Application Face Sheet (Attachment A)

Complete the Application Face Sheet provided in this RFP. Include the completed Face Sheet with each copy of a complete application packet. The Face Sheet includes an Application Checklist. Subgrantees must complete the checklist and ensure that all required documents are included in the response packet for each service proposed.

B. Complete Narrative Responses (Attachment B)

Using the Narrative Response Form provided in this RFP, respond to the question and information requested in order to describe your capacity to successfully develop and deliver SCSEP. Narrative responses should be provided on this form and must not exceed 12 pages total, including the form itself.

C. Letters of Support

Include a minimum of two letters of support from partner organizations. The letter of support should highlight the partnership of the recommender with the Applicant, citing specific examples of projects and efforts to coordinate services and improve client’s access to local resources.

IX. SUBMISSION OF PROPOSAL IN RESPONSE TO THE RFP

For each bid, a complete Request for Proposal application package must include all requested documents, transmitted electronically. Do not send any zipped files.

The application package must be submitted electronically to scseprfp@workforceinclusion.org no later than 4:00 p.m. ET, Thursday, July 20, 2023. The cover letter should be addressed to:

The Center for Workforce Inclusion
8403 Colesville Road, Suite 200
Silver Spring, MD 20910
ATTN: Chris Garland, Vice President of Workforce Development

A statement of receipt will be issued by email to all Applicants for applications received by the deadline.
X. EVALUATION CRITERIA AND SELECTION PROCESS

Proposals will be evaluated based on the following criteria:

a. Organizational Capacity: history, experience, and capacity of the organization providing similar services to the target population (25 points)

b. Program Design and Approach (40 points)

c. Administrative and Fiscal Qualifications (35 points)

The Applicant must score a minimum of 70 points to be considered for funding. A committee comprised of the Center staff will evaluate the proposals. The Center reserves the right to seek clarifying or additional information from Applicants, potentially including site visits or organization interviews.

XI. NOTICE OF AWARD

The Center will announce the grant award no later than Friday, August 4, 2022. All Applicants will be notified of the award decision by email.

XII. RECORDED BIDDERS’ WEBINAR & QUESTIONS, COMMENTS & TECHNICAL ASSISTANCE

The Center will conduct and record a Bidders’ Webinar that reviews the RFP requirements and answers questions received. The webinar will take place on Thursday, June 29th at 2 p.m. ET/1 p.m. CT. The Zoom link for the Bidders’ webinar is:
